# Let's Make Magic Together

Let me just implore you one more time, please get those reps in ahead of time: (when Gray sends out the list of songs).

Then, when we get to rehearsal, you can make MAGIC instead of going through the reps.

We can always go through the reps again, but there is so much more that we can do with confidence.

*We can start making music with artistry!*

## 8 more rehearsals to get ready to put on our usual great show!

## Ads Help

# "Happy Days To Come Again"

Have you been selling ads for our upcoming show? We hope so because the time is flying. Get your completed sales information to Bob Davidson and make sure the copy-ready ads are in his hands by January 20. Also, send him the payments for the ads. Bob's email address is: [rsdavidson1@gmail.com](mailto:rsdavidson1@gmail.com)

# The Marketing & Program Guy

Gray Poehler

As I write this it's the day after Christmas and rather than relaxing, I am thinking about program ads and selling tickets to our upcoming 2022 show, just nine (9) weeks and counting. Bob Davidson wants to close out the ad campaign by January 20, and I want to make sure my friends and neighbors have the show penciled in on their wall calendars. I have already sent them emails with all the show information and plan to send a reminder if I do not hear back from them in two weeks. If still no response, I will pick up the telephone and call them.

As for the program ads, most of the people I deal with have committed to renew again. I have told everyone what a great show it will be this year and I am using this time away from rehearsals to memorize and put the finishing touches on the new show songs. I plan to be completely off the paper by January 13 and I hope you do too.

I am also reviewing the regular repertoire as we have several gigs coming up on January 14 and 27.

I am cautiously optimistic and wish to accentuate the positive, that "Happy Days Are Here Again" and we will see an end to Covid and all the inconveniences we have had to deal with these last 20 months.

*I wish you and yours a*

# We Sing Acappella

Except When We Don't

Jim Shubert

I was going through some of my pictures and came across this one. It is certainly good for a chuckle:

"The Tropical Depressions Quartet perform at Shell Point with their backup group, the Southwest Symphony Orchestra."

This foursome was made up of Richard Klym, Jim Shubert, Don Kirkpatrick and Dave Eastlake

## We Did It Again!

As part of our mission to make the world a better place, we once again sang our hearts out and were rewarded by the generosity of the patrons at the restaurants to the tune of \$5,824. We expect to grant The Salvation Army with over \$7,000 as we add in contributions from members and from the chapter.
